

SUMMER WORKSHOPS 2016

We are running a three week summer workshop program between Monday the 25th of July and Friday the 12th of August. Workshops will cover street, ballet, contemporary, freestyle (which includes all genres of popular/chart music) and musical interpretation which includes music from Jungle Book, Mary Poppins and Tangled.

Workshops are available to everyone, whether a current pupil within the school or just someone who fancies having a go over the summer period, so feel free to invite friends too.

Workshops cost: £3 for ¾ hour
 £4 for an hour
 Adult Ballet & Freestyle £3 each or £5 for both

If a student wishes to do both the street and freestyle workshops on either Tuesday 26th of July, Thursday 4th August or Thursday 11th of August the joint cost is £5. Alternatively you could go mad and include either the slow dance workshops (Thursday 4th) or fun rock 'n' roll (Thursday 11th) and do all 3 for £7.50!!

Due to limits on group numbers and to help with planning routines, etc all workshops must be booked in advance. This can be done by notifying any of the teaching staff, via the website www.fusiondancefactory.com, through our facebook page or group (search for fusion dance factory) or by telephone on 07917 356888. Details of the summer program are on our website.

These workshops are an opportunity to have a go at something different, whether trying a new subject, adding a new twist to your current repertoire or just to have fun with friends. They are also a great chance for any parents or grandparents to come along and have a go at some of the adult classes.

The aim of the workshops is fun so come along and let's enjoy dance together!!
