

## **SUMMER WORKSHOPS 2020**

We are running four weeks of classes/workshops during the summer break. These will be timetabled in 2 week blocks. Sessions will include normal classes as well as one-off workshops in street, lyrical, commercial, freestyle and themed workshops such as Moana, Trolls, Frozen 2, etc 😊

The first 2 weeks will run from Tuesday 28<sup>th</sup> of July until Saturday the 8<sup>th</sup> of August. The second 2 week block will run from Tuesday the 18<sup>th</sup> – Thursday the 27<sup>th</sup> of August.

Places for all workshops will be strictly limited to ensure we can offer the best level of tuition and care for the students. Group sizes will be much smaller than in previous years (in some cases as few as 4 people and a maximum of 9) so all sessions **MUST** be booked in advance. Ideally all payments will be made via BACS transfer although correct cash can be accepted as long as it is in either a sealed envelope or clear money bag on the day of the workshop.

Workshops cost:     £2.25 for ½ hour  
                              £3.50 for ¾ hour  
                              £4.50 for 1 hour

Booking can be done via the website [www.fusiondancefactory.com](http://www.fusiondancefactory.com), through our Instagram or Facebook groups (search for fusion dance factory) or on 07917 356888.

These workshops are open to everyone whether a member of Fusion or not and are a great opportunity to have a go at something different, whether trying a new subject, adding a new twist to your current repertoire or just to have fun with your dance friends.

As always the aim of these workshops is to have fun so come along and let's enjoy dance together!!

## **Please Note:**

Now we are back at the studio we will be adhering to our Covid-19 Studio Safety guidelines which were attached to the newsletter.

Key points are as follows:

- Waiting areas are CLOSED. Students will need to arrive, already dressed ready for class. Their teacher will then collect them at the door where they will be signed in and escorted to the classroom. No parents or guardians will be allowed into the building. The teacher will assist changing shoes where required. The only exception to this rule is the nursery and reception classes where one parent/guardian may come into the class with the child. They will be in the studio with the students so will need to be quiet and obviously no siblings will be allowed access.
- Students/parents will need to adhere to social distancing regulations during drop off, collection and during class. Students will be given either taped off squares or spots to stand on to ensure they maintain social distancing throughout the session.
- All students must have their own water bottles, the kitchen facilities at the dance studio are closed so it is important all students have their own drinks.
- Toilet facilities are available to those students attending a session and will be cleaned in between classes.
- On arrival all students will be taken to wash their hands. ALL staff and students will need to regularly wash their hands. Hand sanitizer will also be available.
- Staff will have PPE and masks which will be worn to assist with changing shoes, administering first aid, etc. Students are not required to wear masks; however if they wish to wear one for when they are going to the toilets or waiting for classes to start they are more than welcome. We do not recommend wearing them during dance activity.

Obviously guidelines are changing all the time; therefore our policy will be a constantly evolving document to ensure that we continue to meet the standards set by government and the IDTA.
