

SUMMER WORKSHOPS 2021

During the summer break we are running various fun dance workshops. Sessions will include subjects such as freestyle, street and lyrical as well as themed workshops for example Luca, Descendants, Zombies and various musical numbers from Six, Dear Evan Hanson, etc 😊

The workshops are scattered throughout August, predominantly on Tuesdays and Thursdays.

Places for all workshops will be strictly limited to ensure we can offer the best level of tuition and care for the students. Whilst Covid restrictions will have been lifted, we are proceeding with caution. We want to ensure that all students have plenty of space to dance, therefore all sessions **MUST** be booked in advance. Ideally all payments will be made via BACS transfer although correct cash can be accepted on the day as long as it is in either a sealed envelope or clear money bag.

Workshops cost: £2.25 for ½ hour
 £3.50 for ¾ hour
 £4.50 for 1 hour

Booking can be done via the website www.fusiondancefactory.com, through our Facebook groups (search for fusion dance factory) or on 07917 356888.

These workshops are open to everyone whether a member of Fusion or not and are a great opportunity to have a go at something different, whether trying a new subject, adding a new twist to your current repertoire or just to have fun with your dance friends.

As always the aim of these workshops is to have fun so come along and let's enjoy dance together!!

Rebecca Nijhof-Clarke

	9.00pm – 9.45pm	Adult Ballet	18 yrs +

Please Note:

Whilst Covid guidelines have relaxed from the 19th of July, we are still intending to proceed with caution to ensure the safety of our students and staff. Therefore we will be continuing with the following guidelines during the holiday workshops.

- Waiting areas are still CLOSED. Students will need to arrive, already dressed ready for class. Their teacher will then collect them at the door where they will be signed in and escorted to the classroom. No parents or guardians will be allowed into the building. The teacher will assist changing shoes where required. The only exception to this rule is the nursery where one parent/guardian may come into the class with the child. They will be in the studio with the students so will need to be quiet and obviously no siblings will be allowed access. Students attending more than one workshop can wait in the studio in between sessions.
- All students must have their own water bottles, we are able to refill water bottles but will not be providing cups.
- Toilet facilities are available to those students attending a session and will be cleaned in between classes.
- On arrival all students will need to wash their hands. ALL staff and students will need to regularly wash their hands. Hand sanitizer will also be available.
- Face masks will still be needed for 11 yrs and over when entering and moving around the building until the 16th of August, this is to reduce the risk of having to isolate.

Obviously guidelines are changing all the time; therefore our policy will be a constantly evolving document to ensure that we continue to meet the standards set by government and the IDTA.
